

State Funded K-12 Databases Program – Online Training Modules

K-12 Databases Program training modules are now available for registration through the ESC-20 iLearning system. These online modules are self-paced so you may access and complete the courses at times that fit your schedule.

Note: These online modules are available at no cost.

These training modules are recommended for ALL educators to learn more about the state-funded online resources that make up the K-12 Databases Program (EBSCO and Encyclopaedia Britannica).

Participants will receive 3 hours of CPE upon successful completion of each course (except Module 6 which earns 1.5 hours of CPE).

Course Titles:

- K-12 Databases: EBSCO Basics Online Course Module 1
- K-12 Databases: EBSCO Advanced Online Course Module 2
- K-12 Databases: Curriculum Integration Online Course Module 3
- K-12 Databases: Collaboration Online Course Module 4
- K-12 Databases: Britannica Basics Online Course Module 5
- K-12 Databases: For School Leaders Online Module 6**

New - Especially Designed
for School Leaders (1.5 CPE)
