“As a general rule, the most successful man in life is the man who has the best information.”

Benjamin Disraeli

The K-12 Databases Program provides access to:

- Complete TEKS aligned lesson plans for all grade levels
- Online self-paced training modules - get up to 15 CPE hours at no cost to you
- Authoritative resources that support the new research strand in the ELAR TEKS
- 24/7 access to a broad range of quality age-appropriate online resources from school and home
- Trustworthy environment to look up articles, biographies, primary source documents, photos, maps, and much more
- Professional journals that help educators address state standards, integrate technology, and promote 21st Century skills
- Available to all Texas public school students, teachers, administrators and students' families
