## Homework and Research Support

State-funded quality online instructional resources are available now.

---

### Access:

The login screen for the K-12 Databases Program is located at <http://web.esc20.net/access>.

From this webpage, you have access to the following resources:

- A comprehensive collection of full text periodicals, biographies, primary source documents, essays, almanacs, reference books, pamphlets, newspapers, transcripts, photos, maps and more. These 34 databases provided by EBSCO Publishing are accessible through user-friendly screens designed for different grade levels - Searchasaurus (elementary), Kids Search (elementary and middle school), and Student Research Center (middle and high school).

- Four encyclopedias in English and two in Spanish provided by Encyclopaedia Britannica that contain over 124,000 articles plus photos, illustrations, maps, and videos. Also included are interactive learning materials and games, a world atlas, timelines, a dictionary, and a thesaurus. All materials are aligned to state curriculum standards.
